ACCESSING EBOOKS USING ENCORE

Step 1: From the [library's homepage](#), start with a typical subject search in Encore.

The screenshot shows the Alliant Library search results page. At the top, there is a search bar with the text "economic development" and a search button. Below the search bar, the results are displayed as "Results 1 - 25 of 2627 for economic development". The results are sorted by Relevance. On the left side, there are filters for Availability, Search Found In, Format, Location, Language, and Tag. The "Format" filter is selected, showing "E-RESOURCE (2627)". The main list of results includes three entries, each with a "World Bank Working Papers" link. An arrow points from the "Format" filter to the "E-RESOURCE" filter. Another arrow points from the "World Bank Working Papers" link in the first result to a callout box.

Step 2: When you receive the list of results, look along the left side of the screen under the heading "FORMAT" and refine by selecting "E-RESOURCE".

Step 3: Follow the link in the record to access the content.
